**FINANCIAL STATEMENTS WITH
INDEPENDENT AUDITOR'S REPORT**

**YEARS ENDED
DECEMBER 31, 2023 AND 2022**

INDEPENDENT AUDITOR'S REPORT

**Board of Directors
Sacramento Loaves & Fishes, Inc.
Sacramento, California**

Opinion

We have audited the accompanying financial statements of Sacramento Loaves & Fishes, Inc. (Loaves & Fishes) (a nonprofit organization), which comprise the statements of financial position as of December 31, 2023 and 2022, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Loaves & Fishes as of December 31, 2023 and 2022, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Loaves & Fishes and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Loaves & Fishes' ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Loaves & Fishes' internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Loaves & Fishes' ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

2. SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting and financial statement presentation – The financial statements are prepared on the accrual basis of accounting and in conformity with professional standards applicable to not-for-profit entities. Loaves & Fishes reports information regarding its financial position and activities according to two classes of net assets: net assets without donor restrictions and net assets with donor restrictions.

Revenue recognition – Contributions, grants, and bequests are recognized in full when received or unconditionally promised, in accordance with professional standards. Conditional promises to give - that is, those with a measurable performance or other barrier and a right of return - are not recognized until the conditions on which they depend have been met. All contributions are considered available for unrestricted use unless specifically restricted by donors for future periods or specific purposes. Restricted contributions whose restrictions and conditions are met in the same reporting period are recognized as revenue within net assets without donor restrictions. All other donor-restricted contributions are reported as increases in net assets with donor restrictions, depending on the nature of the restrictions. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statements of activities as net assets released from restrictions.

Donated goods and services are recognized at the estimated fair value as of the date of donation or service.

Bequests are recognized when Loaves & Fishes receives a contractually irrevocable promise to pay Loaves & Fishes a specified sum of money upon a donor's death, subject to a reasonable period of time for the orderly administration of the donor's estate. At times, Loaves & Fishes is named a beneficiary in a trust, however, these are not recognized in these financial statements until they become contractually irrevocable and the amount Loaves & Fishes is to receive are reasonably determinable in accordance with professional standards.

Credit risk – Loaves & Fishes minimizes credit risk associated with cash by periodically evaluating the credit quality of its primary financial institution. The balance at times may exceed federally insured limits. Loaves & Fishes deposits held with financial institutions in excess of federal depository insurance limits was \$1,669,491 and \$3,280,615 as of December 31, 2023 and 2022, respectively. Loaves & Fishes has not experienced any losses in such accounts and management believes Loaves & Fishes is not exposed to any significant credit risk related to cash.

SACRAMENTO LOAVES & FISHES, INC.

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

Certificate of deposit are stated at cost plus accrued interest.

Contributions and bequests receivable are considered to be available for general operations unless specifically restricted by the donor. Contributions and bequests receivable are reported net of the allowance for uncollectible accounts. However, management has determined that no allowance was necessary at both December 31, 2023 and 2022, based on their conclusion that all amounts were collectible. Amounts are due within one year of the statements of financial position dates and therefore no discount has been applied.

Inventories consist of food, clothing, gift cards and miscellaneous supplies. Inventories are stated at cost if purchased and fair market value if donated, using the first-in, first-out method.

Property and equipment are stated at cost if purchased or, if donated, at fair market value on the date of donation or unconditional promise and depreciated using the straight-line method over estimated useful lives of 5 to 30 years. Loaves & Fishes' policy is to capitalize purchases of \$2,500 or more.

Functional allocation of expenses – The costs of program and supporting services activities have been summarized on a functional basis in the statements of activities. The statements of functional expenses present the natural classification detail of expenses by function. Accordingly, certain costs have been allocated among the programs and supporting services benefited. The financial statements report certain categories of expenses that are attributable to more than one program or supporting function. Therefore, these expenses require allocation on a reasonable basis that is consistently applied. The expenses that are allocated include salaries and professional services which are allocated based on time and effort; benefits and taxes, which are allocated based on salaries; all other expenses are allocated based on estimated usage of resources.

Use of estimates – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Income taxes – Loaves & Fishes is publicly supported and exempt from income taxes under Internal Revenue Code Section 501(c)(3) and corresponding California state codes. Loaves & Fishes applies the accounting principles related to accounting for uncertainty in income taxes and has determined that there is no material impact on the financial statements.

Subsequent events have been evaluated through February 27, 2024 the date the financial statements were available to be issued. Management concluded that no material subsequent events have occurred since December 31, 2023 that require recognition or disclosure in such financial statements.

Loaves & Fishes recognizes their interest in the net assets of the Foundation which represents donor restricted contributions and pledges received by the Foundation for the benefit of Loaves & Fishes. Changes in the interest in the net assets of the Foundation are shown as unrestricted when distributions are made from the Foundation to Loaves & Fishes unless restricted for a specific purpose by the original donor. Loaves & Fishes' policy related to in-kind contributions is to utilize the assets given to carry out their mission. All gifts-in-kind received by Loaves & Fishes for the years ended December 31, 2023 and 2022 were considered without donor restrictions and able to be used by Loaves & Fishes as determined by the Board of Directors and management.

Clothing, miscellaneous supplies, and food were valued based upon estimates of fair market or wholesale values that would be received for selling the goods in their principal market considering their condition and utility for use at the time the goods are contributed by the donor.

9. RETIREMENT PLAN

Loaves & Fishes offers a qualified 403(b) pension plan to all employees who meet eligibility criteria. The plan is voluntary. The employee's contribution is not matched by the employer. No matching contributions were made to the plan for the years ended December 31, 2023 and 2022.
